# WHAT IS IGNITE?

---

IGNITE is the annual technical festival hosted by the esteemed SVKM's NMIMS School of Technology Management & Engineering College in Navi Mumbai and the third-edition of Ignite- Ignite 3.0 will be the first-ever completely virtual tech-fest hosted by NMIMS Navi Mumbai.

Last year, the fest witnessed a dozen incredible events as well as live performances by famous standup comedians Gaurav Kapoor and Joel Dsouza. Students from various colleges attended the fest making it a great success and setting the college in a new haven. This year, the fest being online, is expected to have an outreach of more than 3000 students within the campus and even more students from other campuses. The festival consists of events which have a taste of both the technical and recreation worlds.

## OUR MISSION.

---

## DIRECTOR'S MESSAGE

---

**Dr. Parthasarathi Mukherjee**  
Director, NMIMS  
Navi Mumbai

“We are proud to present Ignite 2021. Our third edition of the tech fest in the month of March 2021. A four-day spectacle, that will bring together the most talented individuals from the top colleges of Mumbai and Navi Mumbai. It will provide the perfect ambiance to those willing to expand their horizons and explore their inner geeks!”

## ASSOC. DEAN'S MESSAGE

---

**Dr. Arvind Mathur**  
Associate Dean, School  
of Technology &  
Management at SVKM's  
NMIMS University

“It is rightly said that technology is best when it brings people together. And what better way to celebrate technology than a tech fest. Each year, we try to inculcate practical knowledge instead of promoting rote learning in an attempt to encourage our students to discover their inner Einsteins. This year, we're proud to announce the first virtual tech fest, IGNITE 3.0, powered by GeeksforGeeks. I invite all of you to participate!”

## CHAIRPERSON'S MESSAGE

"Beyond providing a sound education we wish to provide our students a holistic learning experience for life. By organizing a technical fest, we are providing the students a platform to display their talents and skills and to get one more step closer to the latest technological innovations."

Prof. Tejaswini  
Chavan Professor  
Professor, NMIMS
