## Speaker Profiles:

### 1) Altamsh Patel:

He is an Executive Chef at The Park, Mumbai. He is currently the Joint Secretary of WICA (Western Indian Culinary Association). Previously he has been the Senior Sous Chef at Taj Group of Hotels and an intern at the Taj Lands End, Bandra.

Being a chef of high repute, he brings with him a rich experience in the hospitality industry. He has intensive knowledge on culinary and proficient cooking skill in food preparation, presentation and maintaining authenticity. With special expertise in kitchen management and a vast range of Indian and international cuisines, Chef Altamsh adds an extraordinary culinary touch to the hotel's menu along with skilful management of the kitchen team.

## 2) Sugandhi Baliga:

Ms. Sugandhi Baliga has been associated with the Tata Trusts since the year 2003 in various capacities. She is a professional with 29 years of experience with laudable expertise in project management, capacity building and training, human resources and organisational development, networking and advocacy. She has had a deep interest in the field of health which brought her closer to the subject of Geriatric care through a qualitative study that she was involved in. Currently, she is anchoring the Elderly Care Programme in the Tata Trusts and has been part of the team that helped steer a program strategy to address the needs of the elderly population as part of her responsibility.

She is an MBA from Jamnalal Bajaj Institute of Management, Mumbai, and after having worked for initial eight years of her career with different corporates, decided to move to the development sector and worked with an Indian NGO & international NGO before joining the Tata Trusts.

### 3) Raj Shamani:

Mr. Raj Shamani is an experienced founder and a keynote speaker with a demonstrated history of working in the consumer goods industry. He is skilled in Negotiation, Strategic Planning, Business Development, Entrepreneurship, and Marketing Strategy. He is also a strong entrepreneurship professional with a degree focused in Business Administration, Marketing and Management.

He has given four TEDx Talks, more than 100 keynotes in 23 countries and is recognized as one of the youngest Indians to speak at the United Nations assembly in Vienna. He also features on the list of top 5 young influencers of India.

Mr. Shamani believes that personal branding and social media are game changers in today's world and that's why his mission is to equip people with the industry's best known and help them find opportunities through social media.

His knowledge, experiments and love for speaking have landed him on stages like TEDx, United Nations, Jaguar Land Rover, TCS, Reliance, Forbes, Babson College and many other prolific platforms.

#### 4) Mr. Sudhir Tiku:

Sudhir Tiku is the Vice President and Head - South Asia, Bosch for the Building Technology Division. While Bosch is a 78 billion Euro Conglomerate overall with over 4 lakhs employees, the Building Technology division has around 9,000 employees globally and has annual revenues of approximately 2 Billion Euros. In India, the division is headquartered at Bangalore and has offices across the country to be close to the customers

Mr. Tiku has more than 22 years of diverse Experience in the Automation Industry and had joined Bosch from GE where he held a senior Management role, handling a large Portfolio of Detection and Automation products. Prior to GE, he has worked at Tyco Corporation USA and Tata Honeywell Ltd, specializing in Customer Based Business.

He has completed his B. Tech from REC Kurukshetra and is an alumnus of NMIMS with a PGDM in Finance, he is also an EGM-Diploma holder from IIM Bangalore. He is a Member of the CII National Committee on Urban Development, Smart Cities for the year 2019-20. In addition to being an inspirational TEDx speaker, he is someone with immense interest in the Indian History and is a writer at heart!

## 5) Shveta Raina:

Shveta Raina is the Founder of Talerang with the vision to get 20 million graduates work-ready by 2020. Talerang has impacted over 2 million students in the past 3 years, through partnerships with colleges, corporates, the media and the United Nations Development Program. Shveta is a graduate of Harvard Business School, where she graduated with Honours and the Horace Goldsmith Fellowship for Social Enterprise. She led an independent research project under the guidance of Professor Das Narayan Das to find a solution to India's employability crisis, which grew into Talerang.

Her pilots were funded by a grant from Harvard's Social Enterprise Initiative. She also graduated Magna cum Laude from Brown University in Applied Mathematics, International Studies and Economics. Shveta has been recognized as one of India Inc's Rising Women Leaders by the Economic Times, and a Woman of Courage by India Today. She has been a speaker at TedX, the Harvard India Conference, UN Young Changemakers and the Women Economic Forum and writes a weekly national column on student issues. She is part of the Mumbai Youth Forum, The IMC Start-up Committee and IMC Skill Development Committee. She was awarded Young Womenpreneur 2017 by the DICE Ecosystem and the Governor of Maharashtra.

Previously, Shveta was a Director on the start-up team of Teach For India. She was a consultant at McKinsey's New York City office where she founded and ran the Female Business Analyst Mentorship Program (North America).

**6) R.J Glenn:**

Glen Saldanha, is the youngest breakfast show presenter in Mumbai. His oratory and presentation skills have won him many accolades and awards over the past few years. He has been involved in many college and university programs as a motivational speaker and is also a TEDx speaker.

He is a popular VJ on India's leading music channel and a morning show host on Fever 104 FM Mumbai. His passion for stage and music is beyond reckon. He hosts a Celebrity Chat Show Host with Masti Music Channel and was the compere for many Bollywood events. He believes in breaking stereotypes and creating new ways and means of communicating with audiences through his talks, motivational speeches and work.
