MESSAGE FROM THE CAMPUS DIRECTOR

At NMIMS School of Technology Management & Engineering, Navi Mumbai, we believe that management education must prepare students not only for successful careers, but also for meaningful leadership in a rapidly evolving world.

Our approach to learning combines academic rigour with practical relevance, encouraging students to think critically, adapt confidently, and engage with real-world business challenges. Through a curriculum shaped by industry interaction, experiential learning, and interdisciplinary exposure, we strive to develop professionals who are agile, responsible, and future-ready.

Beyond technical and managerial competence, we place strong emphasis on values such as integrity, collaboration, resilience, and social responsibility. We believe these qualities are essential for navigating complexity and creating sustainable impact in organizations and society.

Being part of NMIMS University, an institution recognized with NAAC A++ accreditation, provides our students access to a strong academic ecosystem, distinguished faculty, and a culture that encourages innovation, research, and continuous learning.

Our students bring with them not only knowledge and capability, but also curiosity, commitment, and the willingness to learn and contribute. We deeply value our engagement with industry and remain committed to building meaningful partnerships with organizations across sectors.

I warmly invite recruiters and corporate partners to engage with the talented student community at STME, NMIMS Navi Mumbai, and explore opportunities for collaboration and shared growth.

We look forward to welcoming you to our campus

Dr. Arun Sharma
Campus Director
NMIMS Navi Mumbai

MESSAGE FROM THE ASSOCIATE DEAN

In today's rapidly advancing world, the ever-evolving field of engineering plays a pivotal role in driving innovation, solving complex challenges, and shaping the future of society. Recognizing this profound importance, School of Technology Management & Engineering (STME), NMIMS Navi Mumbai is dedicated to cultivating the next generation of engineers who are not only skilled in their disciplines but also equipped to lead and inspire progress.

Through our carefully designed curriculum, our students are nurtured in an environment that fosters not just academic excellence but also holistic development, shaping them into market-ready professionals.

A balanced blend of rigorous coursework, experiential learning through industry-oriented internships, and hands-on projects help our students to gain invaluable exposure to think critically, solve complex problems, and develop agility to adapt to new challenges even before they step out of our campus.

These experiences, coupled with our emphasis on soft skills and leadership, ensure that our graduates are not only proficient in their core domains but are also adept at effective industry. Engaging in various co-curricular and extracurricular activities enhances communication, teamwork, and problem-solving skills, which are essential for success. This engagement helps build confidence, improve interpersonal skills, and prepares individuals to thrive in diverse work environments.

We at STME are committed to supporting your needs through collaborative research initiatives, industry internships, consultancy services, technology transfer partnerships, and conducting recruitment drives. We are confident that our graduates will make significant contributions to your organization and rise to any challenge with determination and creativity. We invite you to explore the talents of our students, who represent the future of innovation and excellence.

Dr. Preeti Gupta
Associate Dean
School of Technology Management and
Engineering NMIMS Navi Mumbai

MESSAGE FROM THE DEPUTY DIRECTOR

The success of our students in securing opportunities with leading organizations across industries is a testament to NMIMS Navi Mumbai's commitment to academic excellence, industry engagement, and holistic development. These achievements are made possible through the aspirations and dedication of our students, coupled with the unwavering support of our recruiters, alumni, and industry partners.

At NMIMS Navi Mumbai, we prepare students not just for careers, but for leadership in an increasingly interconnected and dynamic world. Through a blend of academic rigor, experiential learning, internships, live projects, industry interactions, research, and leadership development, our students gain the skills and perspective required to thrive in evolving business and societal landscapes.

Our multidisciplinary ecosystem spanning Management, Technology, Law, Commerce, Liberal Arts, Hospitality, and emerging domains fosters curiosity, innovation, and adaptability. This enables our graduates to navigate complex challenges, collaborate across disciplines, and create meaningful impact across industries and functions.

As we embark on Placement Season 2026–27, we invite organizations to partner with us in identifying and nurturing future-ready talent. We look forward to strengthening existing relationships, building new collaborations, and creating opportunities that drive mutual growth and success.

We extend our sincere gratitude to our recruiters and industry partners for their continued trust in NMIMS Navi Mumbai and for being an integral part of our students' professional journeys.
