# Dr Ruchita Verma

**In-Charge Director  
NMIMS, Navi Mumbai**

NMIMS Navi Mumbai customizes its curriculum and teaching methods to develop holistic management skills in students. The institute aims to nurture leaders and entrepreneurs who empower organizations in the global economy while staying connected to Indian management values. Industry leaders and educators actively participate in the board of studies and academic council. Our alumni have excelled, setting new benchmarks and boosting organizational prospects. Our students will continue to perform at a high level in your organization.
