SUMMER PLACEMENT REPORT

School of Business Management
2021-2023

About NMIMS

Starting with baby steps in 1981, NMIMS has today emerged as a globally reputed university. Always socially conscious, the Shri Vile Parle Kelavani Mandal (SVKM) made the decision to cater to the rising demand for management institutes in the country. This led to the birth of the Narsee Monjee Institute of Management Studies (NMIMS). It began humbly by offering a two-year full-time master's program in management studies with 4 full-time faculty, 3162 books, and an intake of 40 students above Bhaidas Hall, Vile Parle (West), Mumbai. Built on this inspiring legacy, today, NMIMS stands proud as a Deemed-to-be University offering multiple disciplines across multiple campuses.

What started as an institute in a small building has caught the world's attention, thanks to its 17 specialized schools. More than 17,000 students and about 750 full-time faculty members, 10 faculty members with Fulbright Scholarship and Humboldt International Scholarship for post-doctoral researchers are part of India's most sought-after academic community. The consistent academic quality, research focus, faculty from top national and global institutes, and strong industry linkages at NMIMS have placed it among the nation's prime centers of educational excellence and research today.
