

**Type of Event:** Techno-Cultural Event

**Event Date:** 20<sup>th</sup> & 21<sup>st</sup> February, 2023

**Location:** NMIMS Navi Mumbai Campus

**Number of Attendees:** 500

**Convener:** Student Council, PR Committee & Analytics Club –  
SOMASA

**Name of the Event:** Vishleshan 2.0

**Vishleshan 2.0**, a Techno-cultural fest organized by the Student Council, PR Committee & Analytics Club of the School of Mathematics, Applied Statistics & Analytics, was held on February 20<sup>th</sup> and 21<sup>st</sup> 2023. The event was aimed at catering to the interests of students from all schools and disciplines, with the objective of uniting all schools through the string of analytics.

The event was hosted on the campus of NMIMS, Navi Mumbai, and was open to all 2500+ in-house students, as well as participants from other reputed colleges across Mumbai and Navi Mumbai. The event showcased a wide range of activities that catered to the interests of students from all walks of life, including technologically oriented events, cultural events, food-related events, and sports.

The event kicked off with a banner drop, followed by the inauguration program and some very sightful speech deliveries by our beloved director, Dr. Parthasarathi N. Mukherjee, Dr. Ruchita Verma, Dr. Jyoti Verma and Chief guest, Mr. Kushal Ranmale. The event also had many sponsors, including their stalls for food, jewelry, accessories, and drinks, providing a plethora of choices for students to indulge in. Many gift prizes and coupons were distributed, adding to the excitement of the event.

The participants were then treated to a range of activities. Day 1 was all about:

- **Pitch Perfect**: This event was designed for students interested in marketing and sales. Participants pitched their business ideas to investors and received feedback on their presentations.
- **Foosball Fiesta**: Foosball enthusiasts had a chance to showcase their skills and compete with each other.
- **Hobblin's Goblin**: This was a treasure hunt and murder mystery event, which kept the participants on their toes as they solved clues to uncover the murderer. A full house treasure hunt with 80+ participants was conducted all over the campus with hints in the form of statistical, mathematical and coding cues.
- **Swaad Anusaar**: A cooking competition where students displayed their culinary skills and presented their signature dishes.
- **Faculty Performance**: This event saw the talented faculty members of the school showcase their skills in music and dance.
- **Rapper's Performance**: This event featured some of the best rappers from the region, who mesmerized the audience with their lyrical prowess.
- **Swiftie Night**: A major hit among the students, this event saw a huge turnout as fans of Taylor Swift gathered to sing and dance to her popular songs.

The next day (Day 2) resumed with the final rounds of Hobblin's Gobblin – The treasure Hunt, while the other participants were busy debating in the moot court in an event called Hoot in the Moot. Swaad Anusaar was a significant event and a chaotic and magical one for sure, a baking contest to flaunt the participants' compatibility with the Fahrenheit. As the Hunters ran around, the participants of Trade-Off sweated to press their business ventures to a team of Judges trying to fetch a brilliant but unique idea set, a spinoff to the popular show Shark Tank.

- Trade-Off: A finance event where students tested their skills in trading and investing in a simulated stock market environment.
- Hoot in the Moot: A debate competition where students argued on relevant topics and presented their views.
- Comedy Show: A stand-up comedy show that left the audience in splits.
- Comicstaan: This event featured five famous comedians who performed their best stand-up routines and entertained the audience.
- DJ Night: The event concluded with a lively DJ night, where the students danced the night away to the latest tracks.

In conclusion, Vishleshan 2.0 was a massive success, with a plethora of events and activities that catered to the diverse interests of the students. The participation of students from different schools and colleges made the event even more vibrant and exciting. The Techno-Cultural event provided a platform for students to showcase their talents, creativity, and skills. It was a great example of how analytics can bring people together and foster a sense of community, and it is likely to inspire future generations of students to continue this tradition of excellence.

The success of the event was largely due to the hard work, dedication, and enthusiasm of the student council members and volunteers who tirelessly worked behind the scenes to ensure everything ran smoothly. The support and encouragement of the faculty members were also instrumental in making the event a grand success.

The event ended with a sense of satisfaction and contentment among the organizers, participants, and attendees, leaving behind beautiful memories and a feeling of pride in the achievement of a successful event. Overall, Vishleshan 2.0 was a remarkable event that brought the entire student community together and left everyone looking forward to the next edition with great anticipation.
